American Council of Engineering Companies of Missouri (ACEC Missouri)

Nomination for Life Membership

ACEC Missouri may confer Life Membership on any individual who has fully retired from the active practice of engineering and, among other criteria, who has served ACEC Missouri as a Member Firm Representative for a period of ten years or more. Life Membership, once granted, entitles the individual to all the rights and privileges, except voting rights, of Member Firm Representatives with membership dues waived. ACEC Missouri seeks to have an active and involved Life Member community participating in the affairs of the organization.

The full criteria for qualification for Life Membership are as published in the Bylaws of ACEC Missouri. This Nomination for Life Membership must be received by ACEC Missouri no later than Oct. 23, 2026. Nominations will be reviewed by the ACEC Missouri Board of Directors at their Fall meeting and selected Life Members will be honored at an ACEC Missouri meeting held in February or June of each year.
