YOUR COACH

EMILY TILGNER

Emily has a passion for making complex ideas simple and easy to integrate as well as bringing efficiency into her organizations. Her experience draws from a background in engineering design leading to working in construction and commissioning – this experience has given her insight into all sides of the industry and how to approach projects holistically to create a successful product and process. With nearly 20 years of experience in the A/E/C industry, she has gained insight into how to plan projects, manage design, costs and construction, collaboratively work with all project team members and how to lead teams. This background allows her to understand projects and processes from all sides of the table.

Emily is a professional engineer who spent 12 years practicing at a national MEP firm, Henderson Engineers, Inc. As Director of Kansas City Operations at Henderson, Emily led a team of engineers responsible for managing a wide range of projects, from small national accounts to large corporate, education and performance space projects.

WHAT TO EXPECT

Want to manage A/E/C projects with complete confidence, keeping multiple stakeholders happy, driving new business to your firm, and consistently coming in on budget and on time? This power-packed workshop combines PSMJ's legendary A/E practice knowledge built over 40 years with proven new methods driving superior PM performance at firms just like yours.

ACTIVE: You won't sit and listen to an instructor for 2 days. This program keeps you engaged and stimulated with expert facilitators committed to interactivity and inclusive discussions.

GROUNDING: You won't be tuned off by impractical project management tips. Rather, you'll get to hear real-world case studies that show what's working—and what isn't—in bringing projects in on time and budget.

CONFIDENCE BUILDING: In two days, we guarantee you'll have renewed confidence to take on any project, crush any project goal, and manage any challenge that clients, contractors, and suppliers throw your way.

Over 44,000 A/E/C professionals have chosen PSMJ's A/E/C Project Management Bootcamp for training, from newly-minted Project Managers ready to learn the ropes all the way up to experienced leaders seeking continuous improvement. It's the industry-leading program that delivers a 10X multiple ROI by making PMs more valuable to their firms and their firms' clients.
