The full price of the fundraiser is considered a contribution to ACEC/PAC. Partnership and sole proprietorship checks are permitted; however, federal law prohibits corporate checks and corporate credit cards. Contribution or gifts to ACEC/PAC are not deductible as charitable contributions for federal income tax purposes. Contributions will be screened and those from outside the restricted class (non-members) and those from individuals who have not given prior approval may be returned. Contribution amounts included herein are merely suggestions. An individual is free to contribute more or less than the guidelines suggest but may not contribute more than \$5,000 per calendar year. Federal law requires that our committee report the full name, address, occupation and company name of each individual whose contributions aggregate in excess of \$200 in a calendar year.
