BIOGRAPHY

Heidi Thummel graduated from Nebraska Wesleyan University in 2000 with a BA in Communications and has dedicated her career to the A/E/C industry. For the past 14 years she has led the GBA team in business development, with a focus on client relationships, strategic growth and was most recently ran point on three acquisitions. Prior to GBA, she worked at Olsson and TranSystems as a Marketing/Communications Specialist, working on both the pursuit and public involvement phase of projects. She enjoys mentoring young professionals and advocating for infrastructure policy that supports economic development and thriving communities.

On weekends Heidi enjoys spending time on the golf course with husband, Jarrett, and daughters Joselyn and Julia.
