

ACEC Missouri

2025 Fall Meeting

SPEAKER

Jay Hoskins
Assistant Director of Engineering
Metropolitan St. Louis Sewer District

BIOGRAPHY

Jay Hoskins is the Assistant Director of Engineering for the Metropolitan St. Louis Sewer District's (MSD) Planning Division. He currently oversees MSD's program planning, development review and permitting, and GIS teams.

Jay has served MSD since 2007, playing an instrumental role in several environmental programs. These include the system-wide environmental management system; facility master planning for compliance with air emissions and water quality standards; green infrastructure; total maximum daily load (TMDL) implementation; industrial pretreatment; and environmental laboratory operations.

Jay is a leader in the Water Environment Federation, Association of Missouri Cleanwater Agencies, Missouri Water Environment Association, and Conservation Federation of Missouri. He has a Bachelor of Science in Civil Engineering from the Missouri University of Science & Technology, and a Master of Science in Environmental Engineering & Science from Clemson University. Jay is a licensed professional engineer in the State of Missouri.
