BIOGRAPHY

Joe Boland is the Executive Director of the Missouri Environmental Improvement and Energy Resources Authority (EIERRA), where he oversees the day-to-day operations of financial and technical assistance programs for environmental infrastructure projects. Before joining EIERRA, he was the Director of the Missouri Department of Natural Resources' Financial Assistance Center and responsible for the Clean Water and Drinking Water State Revolving Fund programs as well as other state grant and loan programs. Prior to that, he managed field investigations at Superfund and other hazardous waste sites while a member of Missouri's Environmental Emergency Response team. He has also served in other various roles with the department for over 35 years. Joe earned a Bachelor of Science degree in Geology and a Master of Business Administration (Finance) from the University of Missouri.
