BIOGRAPHY

Jordan joined ACEC in September 2024 and leads ACEC's federal advocacy efforts on water and environmental issues. A 16-year veteran of Capitol Hill, Jordan, came to ACEC after serving as a Senior Policy Advisor to the Chairman of the Senate Environment and Public Works Committee, where he played an instrumental role in the enactment of the Bipartisan Infrastructure Law, Inflation Reduction Act, and WRDA 2022. Before that, he served as the key advisor on environment, transportation, and energy issues for U.S. Senator Kirsten Gillibrand of New York. Jordan is a native of Upstate New York and received his Bachelor's from Goucher College and Master's from American University. He lives in Washington, DC, with his wife and children.

Fun Fact: When he's not chauffeuring his kids to afterschool activities, Jordan is an avid reader and cook who aspires to one day master the perfect French omelet.
