**BIOGRAPHY**

Kevin Corwin is a licensed Professional Engineer (PE) and Professional Land Surveyor (PLS) as well as a certified Project Management Professional (PMP). He has a Bachelor of Science in Civil Engineering and an MBA. He worked as a private civil engineering and land survey consultant and as City Engineer for the City of St. Charles, Missouri. He now leads AMPM consulting which creates systems for capital program owner-agencies to control their entire capital programs and project life-cycles, from inception to operation. And Kevin also co-founded and co-leads the revolutionary program & project management software platform, InScope. Whether as a consultant or capital program director, he has worked with over 50 capital program owner-agencies, across 500+ capital projects at an estimated value over \$5 Billion. Kevin and his wife, Holly, reside in Dardenne Prairie, Missouri, and they have three daughters, Emma, Ava, and Ella.
