

2024 ACEC Midwest States Conference

SPEAKER

Kevin Soohoo
Head of Global AEC Strategy
Egnyte

BIOGRAPHY

Kevin Soohoo is the Head of global AEC strategy for Egnyte - a platform used by 1000's of AEC firms worldwide to unify their design and construction data for seamless collaboration anytime, anywhere and on any device. With 20 years of experience in the construction technology space as both an end-user and a solution-provider, Kevin is responsible for driving Egnyte's strategic growth efforts across the world.
