**Leap Training & Coaching**

## **BIOGRAPHY**

Ryan Bouda is a dynamic speaker, coach, and trainer with years of experience taking leaders, teams, and organizations to their next level of greatness. He has spoken to thousands of people on cultivating leadership, building teams, and improving communication. Ryan holds a master's degree in leadership development, is certified in Everything DiSC® and Conversational Intelligence®, and is currently pursuing a PhD in Industrial and Organizational Psychology. His passion is to develop a company's greatest asset: their people. Ryan has worked with companies such as NASA, Hospital Corporation of America, Habitat for Humanity, ACEC Nebraska, and Medical Solutions.
