

2025 ACEC Midwest States Conference **SPEAKER**

Steve Hall
Executive Vice President - Advocacy
American Council of Engineering Companies (ACEC)

BIOGRAPHY

Steve Hall is the Executive Vice President of the American Council of Engineering Companies (ACEC). He joined ACEC in 2001 as the head of the Council's advocacy program and has since played a pivotal role in shaping its policy agenda. In 2022, after more than two decades with the organization, he was promoted to Executive Vice President—a newly created role in which he collaborates with ACEC's CEO to ensure the organization continues to meet its members' evolving needs.

Fun Fact

Steve performed on stage in lead roles in high school and college musicals and other productions. On the other end of the cultural spectrum...he's an avid hunter and angler.
