

# ACEC *Missouri*

## 2026 Fall Meeting

### **SPEAKER**

---

**Zachary Leasor, PhD**  
**Assistant Professor, School of Natural Resources,  
& State Climate Extension Specialist, Missouri Climate Center**

#### **BIOGRAPHY**

Zack is an assistant professor in climate science within the School of Natural Resources. He also works as State Climatologist and director of the Missouri Climate Center. He serves on panels dealing with adverse weather conditions such as drought and flooding. He also works with the National Weather Service offices and regional climate services to provide climate data and prepare special summaries of significant weather and climate events.
