**BIOGRAPHY**

As an Account Executive in our Property Casualty division, James Roan is responsible for managing and growing the Holmes Murphy professional liability book of business by primarily serving the Architecture and Engineering sector. Prior to joining Holmes Murphy, James was an Account Manager at Aerotek. During his time there, he worked with Architecture and Engineering Firms by supporting their recruiting and staffing needs in both business development and a recruiting role. James graduated from Iowa State University with a Bachelor's degree in Marketing. Active in the industry, James is a member of the Professional Liability Agents Network (PLAN).

When he's not at work, James enjoys spending time with his wife, Alex, as well as golfing and taking in all Kansas City has to offer.
