Professional Biography

Bentley joined Oates Associates after spending six years at the Missouri Department of Transportation's (MoDOT) St. Louis District Office. He started at MoDOT as an intern and then transitioned to a highway designer. He has been with Oates Associates since 2019, and he is currently serving as an associate project manager. His experience includes roadway reconstructions / realignments, bridge replacements, intersection geometrics, signal design, drainage design, and 3D corridor modeling. Bentley earned his Bachelor of Science in Civil Engineering from Southern Illinois University Edwardsville in 2013 and is a licensed Professional Engineer in Missouri.

Personal Biography

Bentley lives in Chesterfield, Missouri but grew up in O'Fallon, Illinois after his family moved to the area when he was young. Having been born in Pittsburgh, he is an avid Steelers and Pirates fan. He has 5 brothers and 1 sister, most of whom still live in the St. Louis region. He enjoys watching sports, watching movies, golfing, trivia, and going to the park.
