Professional Biography

Gary is a licensed Professional Engineer in Missouri and Illinois who has been with George Butler Associates (GBA) for 5 years and currently has the title of senior project engineer. His twelve years of industry experience includes designing and managing transportation and resurfacing projects for a variety of clients including MoDOT, St. Louis County, St. Charles County, Wentzville, and other local municipalities. This experience includes corridor studies, design of local and collector roadways, intersection improvements, resurfacing/ADA/widening projects, and streetscape enhancements. He received his Bachelor of Science in Civil Engineering from Southern Illinois University Edwardsville in 2011. Gary is active in several professional organizations. He has served as the Activities Chair for the St. Louis Branch of the American Public Works Association (APWA) along with being a conference planning committee member for the Missouri Chapter of APWA. He has served as a Board Member for the Engineers Club of St. Louis along with previously serving as the Young Engineer Committee Chair. He is also an active member of the Gateway Section of ITE in St. Louis.

Personal Biography

Gary is from St. Charles, Missouri, but currently resides with his wife Gabrielle in Crestwood, Missouri. He enjoys running, golf, and biking. He also enjoys following the local St. Louis sports teams including the Cardinals, Blues, City Soccer Team, and Battlehawks.
