Professional Biography

Greg is a licensed professional civil engineer and has been working for Lamp Ryneearson for the last 8 years. He received his Civil and Environmental Engineering degree at the University of Missouri (MIZ) in 2014 and started working for MoDOT as a construction inspector after graduation. Currently, he is a project manager at Lamp Ryneearson and specializes in roadway design, street maintenance, storm sewer design, and construction observation. Greg supervises their construction observation staff in the Kansas City office. He is involved in a couple of professional organizations including the American Public Works Association (APWA) and the Engineer's Club of Kansas City (ECKC).

Personal Biography

Greg and his wife Amy have 2 girls, Halle and Shay, ages 4 and 2, and a baby boy, Woods. He enjoys playing golf when he gets the opportunity, pickleball, and going fishing. He watches a lot of sports including the Kansas City Chiefs, St. Louis Blues, and Missouri Tigers. He has a close family with 3 sets of brothers and sisters-in-law living within a 5-mile radius of each other and in total there are 12 cousins under the age of 5. Their weekend hangs are loud and full of fun...he doesn't golf that much.
