Professional Biography

Ryan is the Water Systems Market Lead in the TREKK Design Group St. Louis office. Prior to TREKK, he was employed in the Planning Department at the Metropolitan St. Louis Sewer District. His technical experience includes hydraulic and hydrologic (H&H) modeling, capital project planning (sanitary/stormwater), project management, and sanitary sewer evaluation studies (SSES) field services such as: smoke testing, dye water tracing and flooding, manholes and CCTV inspections, and flow meter data collection and analysis. Ryan received a Bachelor of Science in Civil Engineering from the University of Missouri – Columbia in 2014. He is a licensed Professional Engineer in Arkansas, Illinois, and Missouri.

Personal Biography

Ryan and his wife Paige enjoy living in South City St. Louis with their dog. In their free time they often travel, remodel their house, or volunteer at their local animal shelter. Ryan plays in recreational soccer and golf leagues to try and stay active.
