BIOGRAPHY

Dan Meckes is a Principal and former Chief Executive Officer of Crawford, Murphy & Tilly, Inc. His responsibilities as CEO involved the responsibility of overseeing the operations and the strategic direction of the firm. He has served as a design engineer, project engineer, construction observation engineer, and project manager on numerous aviation and surface transportation projects in Illinois and Missouri. Dan served as the St. Louis Regional Office Manager until he became President of CMT in 2007. He was named the Chairman and CEO of CMT in 2013.

He is an active member of the American Council of Engineering Companies (ACEC) having served as the Missouri Transportation Committee Chair and on the ACEC-Missouri Board of Directors from 2012 thru 2017. He served as the ACEC-Missouri Board Chair for the 2016-2017 term. He currently serves on the Executive Committee as Vice Chair for ACEC National.

Dan earned his Bachelors of Science degree in civil engineering from Marquette University and is a licensed professional engineer in Illinois and Missouri.
