BIOGRAPHY

Dr. Erin Parrish assumed the role of President of Palmerton & Parrish, Inc. in January 2021, after serving as Vice President of Administration since 2019 and Company Administrator when joining the Company in 2017. Dr. Parrish manages PPI's business operations, including business development, contracts, risk management, safety, insurance, accounting, human resources, and information technology. Erin is involved in the day-to-day operations of PPI – coordinating efficient and effective use of personnel and equipment in the Engineering, CMT, and Environmental departments across all three PPI offices. She also currently serves as the AASHTO Quality Manager and Radiation Safety Officer. Prior to joining PPI in 2017, Dr. Parrish worked in the field of Higher Education for over a decade. Erin graduated from Missouri State University with a Bachelor of Science in Biology and a Master of Natural and Applied Science, and earned a Doctor of Philosophy in Higher Education Administration from Saint Louis University.

Dr. Parrish is a Willard High School graduate and enjoys living and working in the community where she grew up. She loves to run, read, and be outdoors, but most of all, spend time with her husband, Brandon, son, Zeke (14), and daughter, Hazen (11).

Erin is a graduate of the Class of 2020 ACEC-MO Future Leaders Academy and is a member of multiple ACEC committees, including Business Practices, Governmental Affairs, & Transportation Committees.
