**BIOGRAPHY**

Jack Schaller is an experienced engineer specializing in transportation, stormwater, bridge, airport, and water and wastewater infrastructure projects. With firsthand experience as a city engineer and Assistant Public Works Director for the City of Joplin, he brings a deep understanding of municipal needs, budget realities, and value-driven solutions. Jack is known for his responsive, collaborative approach and often serves as a trusted liaison between clients and multidisciplinary teams. His leadership during Joplin's tornado recovery earned him the State of Missouri's Outstanding Missourian honor and the Missouri National Guard's Conspicuous Service Medal.
