### **BIOGRAPHY**

Shannon Howe has served rural Missouri governments as a project manager and project engineer for bridges, streets, sidewalks & trails, water mains, sewer mains, and storm water projects. He provides leadership and management for Howe Company. He contributes engineering guidance and quality control reviews for the majority of their projects. He started started Howe Company, LLC in 2014 and operated with the following core values:

- Act in the best interest of their clients.
- Provide a good design on time.
- Help their clients have a good project experience.
- Treat the team well.
- Work Smart / Make Money.

Shannon is a licensed Professional Engineer in the states of Missouri, Kansas, Iowa, Illinois, and Nebraska. He is also a licensed Structural Engineer in the states of Illinois and Nebraska. He is a graduate of the University of Missouri – Rolla, now Missouri S&T, with a Bachelor of Science Degree in Civil Engineering.
