

ACEC Missouri

2025 Fall Meeting

SPEAKER

Mark E. Croarkin
Assistant Chief Engineer
Missouri Department of Transportation

BIOGRAPHY

Mark E. Croarkin serves as the Assistant Chief Engineer at MoDOT, bringing nearly three decades of dedicated service to the department. A 1997 graduate of the University of Science and Technology, Mark has built a distinguished career rooted in public service and engineering excellence. Growing up in rural Missouri, he developed a deep appreciation for the state's infrastructure needs, which has guided his work across six of MoDOT's seven districts. His broad experience spans a wide variety of roles, reflecting his commitment to innovation, collaboration, and delivering results that benefit communities across Missouri.
